1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Carolina Water service and have been for almost 8 years.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We already pay an extremely high amount for our water and sewer service. Our average water bill for the past 12 months was \$136.74. This is for a family of 5 with relatively conservative watering in the summertime. I can not possibly see how they can justify charging such high rates to us already and then on top of it ask for an absurdly large increase. Any increase at all would be too much. In the information I have seen published they are asking for an 80% increase of what they say is an average customer bill of \$36. I would love to see the data that says their average customer pays \$36 a month. If that is the case, then the Lake Wylie area must be subsidizing the rest of the CWS users in the state.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

I am not sure what type of information I would need to give at a hearing, but if necessary I would consider it.
